Home Course in Domestic Science

Two lessons in Domestic Science, by Marion Cole Fisher, has recently been received by us for review.

This is a complete advanced course in domestic science and home economics boiled down to meet the requirements of the housewife and the student.

The entire course consists of twenty practical lessons—one hundred pages filled with the most valuable information the housewife can possess—heretofore taught only in domestic science schools.

Do you know the relative value of food, which fruits to use for cooking, what purpose salads serve, the correct use of condiments, about proper kitchen equipments, about U. S. Government bulletins, how to reduce the high cost of living, how to promote and protect your own and your family's health, how to make housekeeping simpler and more economical and pleasant by utilizing modern science in the home.

This book we note is priced at \$2.00 per copy and from what we understand it contains a complete \$100.00 college course, condensed, and it is practically free to every interested housewife.

Write the Home Economics Department of the Calumet Baking Powder Co., 4100-28 Fillmore St., Chicago, Illinois, for full particulars regarding the book and how to secure it.

Camp Grounds

Ready for Tourists

Willard Pace announces for the Commercial Club that the camp grounds which the club has established for auto and other tourists is now ready. The camp ground is located directly across the canal south of the Solomon-Wickersham wholesale house, in the grove owned by George P. Jacobson.

This is a convenient and comfortable place for campers. There is plenty of shade and water has been provided.

The Commercial Club is to be congratulated on the establishment of this camp ground, as tourists are passing through Safford daily and heretofore have had no definite place to stop, should they wish to camp.

Tom Wanslee, who was very ill in the Ft. Apache hospital, was removed to the Inspiration hospital at Miami, Tuesday. His condition is reported as much improved.

THE WATER'S FINE!

The Swimming Pool at Indian Hot Springs is an asset to the valley in that it's medicated waters afford splendid recreation, and at the same time are reconstructive and healthful. That all may have the benefit of their valuable properties we are pleased to announce that until further notice the pool will be open to all having bathing suits on Monday and Friday, from 2:00 p. m. 10:00 p. m., free of charge.

Pool is open from 6:00 a. m. to 11:00 p. m., except on Monday and Friday, when it will be closed at 10:00 p. m., and Thursday mornings when it is thoroughly cleaned and washed.

After July 17, 1921, bath suits will be charged for extra. Baths with suits will be 50 Cents. Those owning their own suits will have the privileges of the pool for 25 Cents. We are forced to do this to pay for laundry and disinfecting charges. We wish to make the INDIAN HOT SPRINGS decent morally and physically, and cannot be certain of the latter without carefully disinfecting the suits, which costs money.

Unskilled bathers are warned not to go beyond their depth, or do diving or other unless accompanied by skilled swimmers. A guard is always at the pool, but we wish to avoid accidents, and cannot be responsible should they occur.

Many changes for the betterment of the pool and pleasure and comfort of our patrons are in contemplation, but will be noted when completed.

The Hotel and Dining Room is open as usual, and all those desiring the benefits of these wonderful baths will be courteously and scientifically treated. We are gradually converting the hotel into a sanitarium, and are now ready to receive both medical and surgical cases.

Labor cases received and cared for throughout their confinement.
